Dissemination by CMBRAE

On March 15, 2024, a dissemination activity took place in Bucharest, Romania during a National Conference entitled “Together we build the future”. This event gave CMBRAE the opportunity to introduce the participants to the fascinating world of CAREERS 4.0 project. The PPT presentation delivered by the project team triggered the interest of more than 100 school counsellors, career counsellors, teachers, researcher and other educational actors and professionals as career counselling is a *MUST* for a world in continuous change.

Another dissemination and promotion of CAREERS 4.0 project also took place in Bucharest on 31st of May 2024, at the General Meeting of the CMBRAE Network, more than 300 school counsellors who are very eager to use the instruments which will be developed in the project in their daily activities.

Interactive workshops on 2nd -3rd September 2024 for career practitioners included presentations related to Future jobs and promotion of our project CAREERS 4.0. Access the link: <https://inaco.ro/project/edu-x/>

TPM-Trapani, Italy

WP1 Project Management, WP4 (A1). Qualification criteria, learning outcomes and certification processes for career guidance practitioners, trainers and relevant labor market inclusion professionals. Development of Career Guidance 4.0 Training Curriculum and material. Feedback from partners/ proposals for improvement.

CAREERS 4.0 DIGITAL PLATFORM

By WORKPACKAGE 3

The Digital Guidance Information System aims to serve as a tool for VET, career and relevant professionals to inform and advise for effective career planning, considering the emerging labor market skills needs in the green economy and new capabilities enabled by digitalization, in particular the design of the humanoid chatbot and the metaverse environment.
